Press Release

Mount Hope's 6th Annual Winter Festival

Bringing Children the Joys of the Holidays

For the children of the Mt. Hope community, the Mount Hope Housing Company will present the 6th Annual Winter Festival. This event will provide an opportunity for the predominately low-income and often underprivileged children to receive toys and gather in celebration of the Holiday Season. The festival will be an entertainment packed celebration, bringing the joys of holiday music, and the voices of the Children's Chorus. Featured performing artist group for the event will be the New York-based urban soul vocal group "Allure." Allure was the first band to be signed to Mariah Carey's Crave Records. This trio's phenomenal career includes debuts with Nas, LL Cool J, Raekwon, Q-Tip, and Mariah Carey herself. We have not, and will not hear the last of this talented powerhouse.

The event is co-sponsored by our fellow organizations and companies:

- Starbucks
- Kourakos & Kourakos Attorney at Law
- National Development Council
- Signature Construction Group
- World Vision- The Storehouse
- Center Care Health Plan
- Bronx Lebanon Hospital
- Verizon
- Fordham University
- Federation of Protestant Welfare Agencies
- Health Plus Health Plan
- A.S.A. Cabling Systems
- Millennium Elevators
- WellCare Health Plan

Mount Hope Housing Company was founded in 1986 by community residents and leaders in response to the dramatic deterioration of the Mount Hope section of the Bronx. Mount Hope Housing Company, Inc. is a community development organization that revitalizes the community by providing safe, decent, affordable housing, economic development, and educational services to help its residents achieve independent lives.
