

THE CITY OF NEW YORK  
OFFICE OF THE MAYOR  
NEW YORK, N.Y. 10007

November 1, 2005

Dear Friends:

It is a great pleasure to send greetings to everyone attending today's press conference.

This morning Mount Hope Housing Company, Inc., One Economy and Verizon are coming together to announce the deployment of a fixed wireless network that will deliver broadband to the residents of Mount Hope. For nearly two decades, the Mount Hope Housing Company has been a tremendous source of support for the Mount Hope community and has played a vital role in the development of affordable housing throughout the area.

My administration is committed to building affordable housing in every borough and helping every New Yorker become a homeowner. We want this to be a city of opportunity for all, and homeownership is fundamental to achieving that objective. With the support of the Mount Hope Housing Company, One Economy and Verizon, I know that we will succeed in meeting our goals.

Please accept my best wishes for much success in this endeavor and in all your future pursuits.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Bloomberg". The signature is fluid and cursive, with a long, sweeping tail on the letter "g".

Michael R. Bloomberg  
Mayor
